Your sacred sÅ ©: make the decision to be free The author Bestseller of your erroneous areas, pulling your own strings, and the wisdom of EtÅ combines psychological intuitions and guidelines to achieve spiritual fulfillment to present a program to Three phases designed to help readers look inside yourself to find a new sense of self-awareness and spiritual joy. Develop the sacred sÅ ©, explains Wayne Dyer, brings an understanding of our place in the world and a sense of satisfaction in us and others. In your sacred sÅ ©, Dyer offers a program that helps listeners to establish a spiritual approach, rather than an ego-oriented approach to life. Step by step, Dyer shows us how it progresses from emotional awareness to psychological understanding to spiritual alternatives to change our life experience from the need to acquire a sense of abundance; From a sense of sés as a sinner and lower than a sense of a divine one; From a need to reach and acquire an awareness that detaching and let go bring freedom. Your sacred sÅ © is a stimulating guide, happable, illuminating that can help everyone live a happier, rather rich, more significant life. Questions and answers about conversations with readers godmillions have come to enhance conversations with Neal God Series Donald Walsch, which has been translated into twenty-six languages. Many thousands of readers have asked questions for him à € "questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God and the universe, prayer, angels and devils , spiritual paths, relationships and much more. In the questions and answers on conversations with God, Neale, with the characteristic spirit and wisdom, responds to the most convincing and provocative of these letters; And the result is a book that is profoundly illuminating and inspirational. Reporting messages in CWG dialogues to personal questions and the daily experience of individuals, Neal's responses illustrate direct link between spiritual and physical reality, clearly demonstrating how what we do and that we are in our lives is the result of how We think and what we believe. This book gives us all the opportunity to look at us, to change ourselves, and therefore, perhaps, to change the world. Entering the gap: make a conscious contact with God through meditation the practice of meditation takes us to a fabulous journey into the void between our thoughts, where all the advantages of a quieter life are available, without stress, healthy and effortless. But that are simply collateral benefits. The fundamental reason for daily meditation is to enter the emptiness between our thoughts, and contact the creative energy of life itself. Dr. Wayne W. Dyer explains the nourishing meditation technique to make contact with God conscious, of which the ancient masters spoke to us. You have the potential to be a higher asset tool for all interested parties and being a literal worker miracle in your life. No person, government or religion can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung who said:" One of the main features of the formalized religion is to protect people from a direct experience of God ". When you master the Vacuum and stay there for prolonged meditation segments, and the experience is given to the material world, you know your answer to the question: "Why meditating?" 6744Rag8WC75 - Read and download the book by Wayne W. Real Magic: Creation of miracles in Lifeby Wayne W. Dyersynopsis: Bestselletti in this inspirational guide, Wayne Dyer, the author of the Bestseller phenomenal wisdom of the Ethå, pulling their strings, and your wrong areas, reveals seven central beliefs a a miracles in our daily life. When most of us think about magic, we imagine a man in a black mantle who saw a woman in half, or a sleigh card trick. But there is another kind of magic - true magic - that can enrich your life. According to Dyer, true magic means creating miracles in everyday life. Stop smoking or drinking, achieve the new success of work, or find a happy relationship - these are all miracles because they transcend our perceived limits. From the creation of a miraculous mind and change in the areas of personal health, prosperity and the realization of loving relationships to believe in the magic of miracles on a global scale, Dyer shows us that miracles in our reach and in our mind. In Real Magic, Dyer teaches us how to achieve a higher level of consciousness. He asks us to imagine what would make us happy, then he offers specific strategies to achieve these goals. In every aspect of our individual life - physical health, finances, intimate relationships and personal identity - there is always room for a miracle or two. And with the help of Dyer, each of us can be a miraculous worker. 7 results ON Group similar results Feedback Paperback. Condition: Very good.
